

# WELCOME

## to LCS CHOICE PANTRY

*We are happy to serve you and your family in the pantry once a week, if needed.*

We ask your consideration in the following:

- While we are a non-profit agency we function as a business, and have other clients, volunteers and business partners who need to use the building.
- In order to serve as many people as possible and to keep a professional working environment, beginning in May we will be implementing a random number system for serving our food customers.
- At 12:55PM on pantry days, you will be given the opportunity to pick a random number out of a bag. Therefore, early arrival is not necessary.
- Customers will be called in to shop (5 at a time) according to their random number, not by who was first in the parking lot.

Again, thank you for your consideration, and for helping us to fulfill our mission in Wilmington!
